TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Pranav Rebala** has successfully completed his internship at Flutura under the guidance of Mr. Subramanya Yogish from **06-June-2022 to 05-August-2022**.

Pranav worked as **Intern - Data Science** and was engaged in the following tasks:

1. His role mainly consisted of EWB Data Analytics.
2. He was engaged in developing acumen company platforms Engineer's Workbench (EWB) & Cerebra Solutions
3. He performed Data analysis using EWB to deduce meaningful inferences on drone analytics
4. He also worked on sensor fabrics, drone failure cases using clustering, scatter plots etc

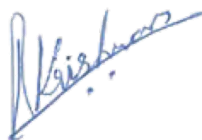

During his internship, Pranav's performance was very impressive with the following positives:

1. He was quite sharp and had a good developing bent of mind.
2. Demonstrated a great willingness to learn and go the extra mile.
3. A great team player and commendable dedication towards work
4. Committed to the task assigned and able to handle changing work environment

His character and conduct as observed during this period were very good. Not only was he functionally competent, but his attitude & approach towards work was commendable.

Yours sincerely,

For Flutura Business Solutions Private Limited,

Krishnan Raman

Co-Founder & Chief Executive Officer
